CAMP HIGHLIGHTS

Don't delay getting registered!

- Content structured for all experience levels
- Hands-on instruction in accordance with the NCAA playing rules, as well as the CCA Mechanics manual
- Evaluation of each student's skill set, along with recommendations to help guide the student to attain his or her goals
- Learn off the field "Do's and Dont's"
- Instruction for becoming a better crew member
- Individual plate work in a controlled indoor setting, in addition to live games
- Utilization of Trackman to help umpires determine strengths and weaknesses on balls and strikes
- Instruction will be given for two and three man mechanics
- Each student will umpire situations involving Junior College games
- Each current MSUA member will be evaluated for possible advancement
- Each non-MSUA student will be evaluated for qualification for a spot on the MSUA roster, as well as possible conference recommendation to the appropriate conference coordinator(s)
- Techniques will be taught to improve handling of pregame situations and in-game management
- Detailed coverage of video review

CAMP SCHEDULE

All registered campers will receive an email from Camp Coordinator Scott Cline with detailed information one week prior to camp.
